DON'T QUIT! Application – HAWAII

Applications will be accepted from March 5, 2024 – April 12, 2024.

The National Foundation for Governors' Fitness Councils (NFGFC) has partnered with Governor Josh Green to bring the DON'T QUIT! Campaign to the State of Hawaii this year. Our mission is to support schools that prioritize fitness and strive to be state leaders in physical education but lack the fitness resources to do so. The top three schools will receive a DON'T QUIT! Fitness Center valued at \$100,000. This is a gift, not a grant.

Qualifications:

- The school must be a public or public charter school.
- The majority of students must be between the ages of 9-14 years old.
- The school must have a room on the school's property that is available and ready for equipment installation at the beginning of the summer 2024.
- The room must be approximately 900-2000 square feet.

Please fill out the information below and email your completed application to apply@natgovfit.org.

VIDEO INSTRUCTIONS

Record a video where you answer the following questions:

1. What are you currently doing to prioritize fitness?
2. What do you plan to do with a new fitness center?
3. What challenges do your students face that could be improved with fitness?
 - BE SPECIFIC. We want you to dig deep and think about how you can use fitness to bring about positive systemic change in your community. GET PERSONAL. Get various students and staff involved. We are looking for passion and personality, not perfection.
 - Please DO NOT tell us about the status of your equipment. We are aware that most schools have outdated and/or broken equipment.
 - Videos can be filmed on a smart phone. Please keep them under 2:30 minutes. Download the video to YouTube and provide the link below.
